TORONTO, Oct. 24, 2017 /CNW/ - Liberty Health Sciences Inc. (CSE:LHS) (OTCBB:LHSIF) ("Liberty" or the "Company") today announced a partnership with Colorado-based MM Technology Holdings, LLC ("Mary's") to bring its award-winning line of Mary's Medicinals® cannabis products to the Florida market. Under the three-year agreement, Liberty will produce and distribute a suite of effective and reliable products from Mary's under license in the State of Florida to further optimize patient care. The agreement is subject to approval by the Florida Department of Health, Office of Medical Marijuana Use as is required under Florida law. "Our goal is to provide the best available medical cannabis products to our patients and Mary's has a proven track record of success in the space," said George Scorsis, CEO and Director of Liberty. "We're very pleased to be partnering with the company to bring their award-winning products to the Florida market and offer alternative methods of using medical cannabis. This partnership further ensures our patients have access to the most effective medicine on the market today."

Liberty is committed to delivering high-quality, clean and safe pharmaceutical grade cannabis and this agreement with Mary's elevates the number of cutting-edge products available to its patients. Best known as the developer and exclusive distributor of the award-winning Transdermal Cannabis Patch, Mary innovates at the intersection of technology and horticulture and is transforming how people view and utilize cannabis, developing products that maximize the benefits of cannabinoids, terpenes and other plant nutrients. The agreement with Mary's allows Liberty to license and produce the following products:

- Mary's Medicinals® Transdermal patches
- Mary's Medicinals® Transdermal gels
- Mary's Medicinals® Transdermal/topical compounds
- Mary's Medicinals® Capsules
- Mary's Medicinals® Tinctures
- Mary's Medicinals® Muscle Freeze
- Mary's Medicinals® Vape Pens
- Mary's Medicinals® Distillates

Mary's creates effective and natural pain-relief products, utilizing clinically tested, clean and accurate delivery methods. Most importantly, the company is dedicated to developing innovative products, which have garnered numerous accolades including *2014 Invention of the Year* in the

Cannabis Business Awards, *Most Innovative Product* at the CannAwards and *Best New Product* at the High Times Cannabis Cup.

"Mary's and Liberty share a patient-first mentality, which makes our partnership a natural fit," said Lynn Honderd, CEO of Mary's. "We're pleased to join forces with the team at Liberty to help bring new forms of relief to Florida patients."
