MIAMI, April 2, 2018 – InfoSonics Corporation (“InfoSonics” or the “Company”) (NASDAQ: IFON), which closed its merger with Cooltech Holding Corp. on March 12, 2018, announced the recent opening of its newest OneClick store located in the El Solar Shopping district in Buenos Aires, Argentina. This represents OneClick’s sixth store in the country, and the Company plans to open seven more new stores in the coming year in different cities across Argentina.

The Company’s OneClick stores offer not only the latest Apple products and approved accessories, but they also offer hardware and software technical service centers where customers can take their Apple equipment for repair and maintenance.

"We are very happy to bring the best products and services from Apple to more and more people in Argentina," said Mariano Turinetti, OneClick Manager in Argentina. "OneClick currently employs more than sixty people in its six stores in the country, and it is anticipated that we will more than double that number by the end of the year."

The Company's stores are located in Alto Rosario Shopping (Rosario), Rosario Centro (Rosario), Cordoba Shopping (Cordoba), Palermo Soho (Buenos Aires), DOT Shopping (Buenos Aires) and El Solar (Buenos Aires).

Following the merger with Cooltech, InfoSonics is now focused on, among other things, becoming the largest authorized reseller of Apple products and services in the Americas. In addition, it plans to extend the reach of its distribution business by leveraging its relationships with suppliers of other recognizable brands of accessories and audio, consumer electronics and computing devices.
