ANNOUNCES INCREASED FINANCING TO CDN \$8 MILLION 3P International Energy Corp. has increased its previously announced private placement financing from \$5-million to \$8-million. The Corporation intends to offer up to 20,000,000 common shares ("Shares") on a non-brokered prospectus exempt basis at a price of Cdn \$0.40 a Share for gross proceeds of up to Cdn \$8 million (the "Offering").

David Kahn, 3P's Chairman and CEO stated "The company is delighted by the response to this latest offering and, as such, has increased the size of the placement in order to do our best to accommodate demand at these levels from those who have taken a keen interest in participating in 3P's go-forward growth strategy."

The Corporation has filed an amended Price Reservation - Form 4A and an amended Notice of Private Placement - Form 4B with the TSX Venture Exchange to increase the previously announced private placement financing.

Additionally, the Corporation retains the right to issue finder's warrants to acquire up to 6% of the number of Shares issued in the Offering and pay a finder's fee of up to 6% of the gross proceeds of the Offering to qualified arm's length finders at the discretion of the Board of Directors.

The proceeds of the Offering will be used primarily for the development of 3P's Ukrainian energy assets, the evaluation of additional opportunities in that country and general working capital purposes.
